Funding FAQs

What can the loan be used for?

Loan funds can be used to purchase fixed assets, including land, buildings and facilities, machinery and equipment, infrastructure investment directly related to the business or industrial development, demolition and site preparation, and can provide working capital needed to start a business.

Are there ineligible costs?

Yes. The RLF cannot fund refinancing of existing debt, rolling stock, non-capital equipment, training costs, inventory, financing of a project that involves the relocation of a business or industry from another part of Ohio and speculative ventures.
