Mobility Management is an approach to designing and delivering transportation services that start and ends with the customer. It begins with a community vision in which the entire transportation network (public/private transit operators, cycling, and walking) works together with customers, planners, and stakeholders to deliver the transportation options that best meet the community's needs.

Ohio Relay Number:

1-800-750-0750 For all Title VI and/or ADA complaints please contact the Morgan County Development office @ 740-962-1322

Mobility Management projects are supported by grants through the Federal Transit Authority (FTA) and/or the Ohio Department of Transportation (ODOT) to help communities coordinate and maximize transportation options

Types of Services Offered

Mobility Management comes in many forms and each is unique, just like the local communities that they serve. The Morgan County Mobility Management project is involved in things such as, but not limited to:

- Coordination of Transit Services
- In county and Out of county.
- Eligibility/Referrals for Clients
- Driver Training & Call Center
- Travel Training Services
- Safe Routes to School
- Complete Streets & Active Transportation
- Local/Regional Transportation Roundtables
- Community Education & Public Outreach
- Accessibility Assistance for the Disabled

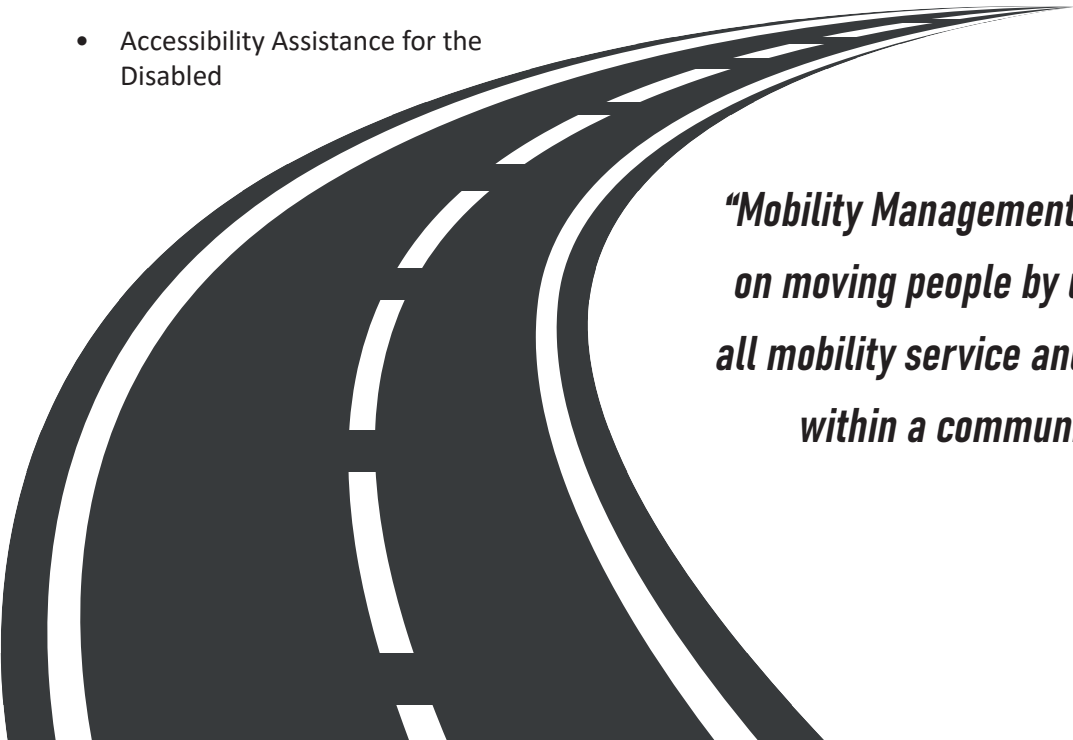

Mobility Management:

- Encourages innovation and flexibility to reach the “right fit” solution for customers/residents
- Plans for sustainability
- Strives for easy information and referral to assist customers in learning about and using services
- Continually incorporates customer feedback as services are evaluated and adjusted.

We Are Here for You

Reach out and contact us whenever any form of mobility is in question.

Morgan County Mobility Management is here to serve and assist you!

“Mobility Management focuses on moving people by utilizing all mobility service and options within a community.”
