TRANSPORTATION

Transportation

Morgan County Mobility Management Office

155 East Main St. • Room 135 • McConnellsville, Ohio 43756

Contact: Bobby White 740.962.1322

Morgan County Mobility Management is an innovative approach for managing and delivering coordinated transportation services to customers residing in Morgan County, including older adults, people with disabilities, individuals with lower incomes, and other populations.

The Morgan County Mobility Manager's role is to focus on meeting the various individual needs of the riding public and to be their advocate in creating a transportation solution to meet those needs. This can happen through a wide range of transportation options and service providers or through coordinated efforts between them. The Mobility Manager also has a function in planning policy with service providers, transportation plan coordination for Morgan County, and to build local and regional partnerships to meet the current and future needs of the riding public.

The Morgan County Mobility Manager does not work for any specific transportation provider. They do provide transportation options and planning, rider training, trip brokerage, and safe driver training. The Mobility Manager identifies and serves the needs of the public and Morgan County with specific attention to promoting accessibility, education, and awareness to older adults, persons with disabilities, persons with low income, veterans, and other underserved populations.

Morgan County Mobility Manager provides the following services:

- Helps anyone who lives in Morgan County understand and access the transportation options available in the county.
- Serves as an advocate for individuals and agencies who have transportation difficulties.
- Can assist individuals and agencies in resolving any ongoing issues you have with transportation within Morgan County.
